### **Work Placement:**

At I L S Languages we specialises in Educational and Work Placements

We have now the opportunity to offer a Work Placement Service abroad in the sectors of industry, offices, schools, hotels and farms in France The object is to help young people acquire full language immersion and work experience at a professional level.

#### **Work Placement - France Normandy:**

Working on a farm as a general assistant - to help with the production of Bio-Bread and other farm products - selling bread at the local markets and helping in the farm restaurant: These are good opportunities for full language immersion in French for the summer months. Full board and all meals provided.

#### **Length of placement** (paid or unpaid according to employer)

To a maximum of 1 year

**Accommodation:** Generally provided by the work placement and full board. (Some Work Placements do not provide accommodation please check.)

**Travel arrangement:** Candidates will organise their own transport to and from the placement.

**Price:** £195 per placement: Please make cheques payable to **I L S Languages**

A deposit of £75.00 is required or full amount if the stay is organised within 3 weeks of the departure. If under 3 weeks; full payment is required.

In case of cancellation from you 50% of the deposit will be refunded.

If we cannot place you; a full refund will be given.

The person needs to be covered with travel insurance, accidental damage, theft, work experience in France and cancellation during his/her stay, European Health Insurance Card - EHIC and a reference from a language teacher or professional person. Photocopies required for your file; Passport, Insurance, and EHIC card before departure. Please also supply 2 passport sized photographs with the application form.

We look forward to receive your application and hope you will gain valuable experience for a better future.
